United Nations Global Service Centre
Quality Management System Policy Statement

The United Nations Global Service Centre (UNGSC) delivers unique worldwide support and expertise in supply chain management operations and field technology support. UNGSC is committed to continuing development and enhancement of service quality for field missions. Our objective is to guarantee customer satisfaction through efficient and effective services to meet clients' needs regarding quality, cost, timeliness and environment, while continuing service improvement.

Quality parameters, performance output and satisfaction levels are consistently measured to meet and achieve set objectives with our clients.

Professionalism, integrity, accountability, reliability and flexibility in all circumstances are the values which guide us to ensure the best support to our clients.
